

## **Silvia Lovicario**

**Silvia Lovicario** - voice, viola da gamba, arrangements

### **Muizu**

Muizu (s. m., from Sardinian “ whistle, hiss” ) is the first solo project by Silvia Lovicario. The aim is to set a connection between contemporary songs ( taken from jazz, pop, and original repertoire) and the unique sound of viola da gamba, with a close look to the various moods the instrument can create.
